Reservation & Cancellation Agreement:

Pampered Pups is a small facility ran just by our family, meaning Husband, Wife, and 2 young kids no staff. We take a limited number of dogs per day, generally around 10. A lot of times we are full, especially over weekends and we have to disappoint clients by turning them away. When clients cancel reservations or change reservations at the last minute, it is frequently too late for us to fill the space that we reserved for them because other clients that we turned away have already made other arrangements. This causes us to lose a tremendous amount of income. Due to the loss of revenue, the high demand of our services in this area and the limited number of dogs we take, we are implementing a more restrict reservation and cancellation policy for our facility.

High Peak Periods:

- Public School Spring Break
- Memorial Day Weekend- Labor Day Weekend
- Thanksgiving Week & Weekend
- Christmas Week & Weekend

-3 day minimum stay

- 50% Non-refundable deposit to reserve dates

-Cancellations of reservations or changes to the original reservation dates within 7 days of the first day of stay will still require FULL payment of the original requested dates, unless we are able to fill those spots with another client on our waiting list.

Non-Peak Periods

-2 day minimum stay

-50% deposit to reserve dates

-Cancellations made at least 14 days prior to first day stay will receive a full refund of deposit.

-Cancellations of reservation or changes to the original reservation dates within 14 days of the first day of stay there will be NO refund of the deposit

-Cancellations of reservations or changes to the original reservation dates within 7 days of the first day of stay will still require FULL payment of the original requested dates, unless we are able to fill those spots with another client on our waiting list.

I have read and understand the above reservation and cancellation agreement.
